A SUMMARY OF YOUR COVER

You will only be entitled to the cover provided by this Policy for which You have paid the applicable premium and which is shown on Your Certificate of Insurance.

There are limits to the cover provided and while some of these are fixed, others may be extended by simply notifying Us of the items You own and their value.

There are also exclusions and limitations which apply to certain events, as well as general exclusions which apply to all cover under this insurance.

Certain words have defined meanings You need to understand, which are found in the Definitions section of the Policy.

Please also note that this is a limited summary only and not a full description of the covers. Each cover noted is subject to terms, conditions, exclusions and limitations that are not listed in the summary. You should read this PDS and Policy in full to properly understand the cover provided. You are not automatically insured under each cover.

In addition to assist with your decision to purchase this cover and to manage your expectations in the event of a claim we believe it is important to highlight some important terms and the main areas where cover is or is not available or where limited cover is available under this Policy, regardless of the situation. These are detailed below.

Work out what cover suits You

You need to ensure that the cover selected by You is suitable for Your needs and that the level of cover provided is adequate.

Depending on Your insurance needs You may elect to take out one of the following covers:

- **Comprehensive Cover** – This includes cover for Accidental loss or Damage to Your Boat, the Legal Liability arising from the use of Your Personal Watercraft and Boat cover;
- **Legal Liability Cover** – This cover is included when You select Comprehensive Cover. Otherwise You can choose to purchase Legal Liability cover only.

What is Your “Boat”?

- Hull;
- Motor(s), including fuel tanks;
- mast, spars, rigging and sails;
- Trailer;
- Equipment and Accessories;
- Boat Tender; and
- Contents.

You should include all of these items when deciding the amount of You Sum Insured.

Your Boat does not include modifications You have not told Us about or which are not shown on Your Certificate of Insurance. It does not include Personal Effects but limited cover is provided for these items, under the Additional Benefits section of the Policy.

COMPREHENSIVE COVER

For **Comprehensive Cover** the following are some of the important things you need to consider if and when you select this coverage.

Insuring Your Boat

You are responsible for deciding the amount of Your Sum Insured. If You are having difficulties working out the values please seek the advice or a valuation from a professional Boat or yacht broker or dealer.

Your Boat can be insured on the following basis:

1. Agreed Value: Boats up to 2 years of age

When You have purchased Your brand new Boat through a Boat or yacht brokerage or dealership We agree to insure Your Boat for the purchase price paid for 2 calendar years from the date You purchased Your Boat. The purchase price and date of purchase must be advised to Us at the time of entering into the Policy.

At the end of 2 calendar years from the date You purchased Your Boat the Policy will automatically convert to operate on a Market Value basis. You can contact Us and request that cover be amended to an Agreed Value in which case You must provide Us with details of Your requested Sum Insured. If We cannot agree on the Sum Insured value with You, Policy will be issued on a Market Value basis.

2. Agreed Value: Boat over 2 years of age

If Your Boat is older than 2 years of age, We will agree to insure Your Boat:

- where You have owned the Boat for less than 2 years, for the purchase price paid by You for 2 calendar years from the date You purchased Your Boat. The purchase price and date of purchase must be advised at the time of entering into the Policy; or
- where You have owned the Boat for more than 2 years, for a Sum Insured value that We agree will apply to Your Boat.

If We cannot agree on the Sum Insured value with You, the Policy will be issued on a Market Value basis.

At the end of 2 calendar years from the date You purchased Your Boat or the time We agreed to a Sum Insured value, the Policy will automatically convert to operate on a Market Value basis. You can contact Us and request that cover be amended to an Agreed Value in which case You must provide Us with details of Your requested Sum Insured. If We cannot agree on the Sum Insured value with You, Policy will be issued on a Market Value basis.

3. Market Value

If We cannot agree on a specified Agreed Value Sum Insured with You We will insure the Boat on a Market Value basis. We will then pay up to the Market Value (i.e. the cost to replace Your Boat with a similar item of the same age and condition) of the Boat assessed at the time of the event giving rise to the loss, or the Sum Insured shown on Your Certificate of Insurance, whichever is the lesser.

- Liability covers for Waterskiing and/or Aquaplaning activities.

APPLYING FOR COVER

When You apply for this insurance, You will need to complete a proposal. We will use and rely on the information supplied by You to decide the terms of cover We will provide.

If you are not eligible for cover under this Policy, then you can see if there are alternative options by contacting either the National Insurance Brokers Association or the Insurance Council of Australia. If you are not happy with our reasons as to why you are not eligible for cover, you can lodge a complaint with us by following the complaints procedure outlined in this PDS.

When We agree to enter into a Policy with You, Your Policy with Us is made up of:

- this PDS;
- Your Certificate of Insurance; and
- any other document We tell You forms part of the terms and conditions of Your cover, including any endorsements issued by Us.

Your Certificate of Insurance will contain important information relevant to Your insurance including the Period of Insurance, Your premium, details of Your insured property and the cover selected by You, the Excess(es) that will apply to You and others and whether any standard terms have been varied by way of endorsement.

You need to keep these documents in a safe place together with receipts and other evidence of ownership and value of items You insure.

DETERMINING YOUR PREMIUM

When You buy Your insurance We tell You the premium You must pay and show it on Your Certificate of Insurance.

To determine Your premium We consider factors such as the cover You want, the Boat You want to insure, the limits and Excesses that will apply, Your insurance history and whether You are paying by instalments or not.

It also includes an administration fee and amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) for Your insurance. We show these on Your Certificate of Insurance.

We will also reward You with a no claim bonus discount on Your premium when You buy the Policy if You have not experienced a recent pleasure craft related claim. We tell You what Your discount is when You apply for the Policy. Your premium is calculated on current rates.

We then apply any no claim bonus premium discounts You may be entitled to. You will be entitled to our maximum no claim bonus premium discount if you have not experienced any pleasure craft related claims in the past 5 years with any insurer.

Our no claim bonus discount works as follows:

- 30% discount if You have had no claims in the past 5 years;
- 20% discount if You have had 1 claim or less in the past 2 years;
- 10% discount if You have had 2 claims or less in the past 3 years; or
- 0% discount in all other cases.

The level of discount will be adjusted upon renewal depending on whether any claims are lodged during the previous Period of Insurance and this may either:

- increase Your discount if You have not made a claim (up to the next level or Our maximum level, whichever applies); or
- decrease Your discount (if You have made a claim); or
- remain the same.

If You hold the Policy with Us for three consecutive years and make no claims, We will apply Our Maximum No Claim Bonus discount for all future renewals of the Policy with Us.

A minimum premium applies for this insurance irrespective of any discount that applies. The amount of premium We charge after taking into account Your no claim bonus (if any) will not be less than this amount.

If Your premium is payable in instalments, this may increase the amount of premium that You must pay. If the premium is payable in instalments, You must continue to pay the instalments to maintain cover. If You pay by 7 or more instalments each year and You fail to pay an instalment on time then, if the instalment remains unpaid for at least 14 days, We may refuse to pay any claim that arises after the unpaid instalment was due.

You are responsible for ensuring that Your premiums are paid or Your cover could be put at risk. Please call Us if You are ever unsure about Your premiums.

We may deduct from any claim amount or benefit payment, any unpaid premium or instalment of premium.

YOUR DUTY OF DISCLOSURE

Before You enter into an insurance contract, You have a duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell Us anything that:

- reduces the risk We insure You for; or
- is common knowledge; or
- We know or should know as an insurer; or
- We waive Your duty to tell Us about.

If You do not tell Us something

If You do not tell Us anything You are required to, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

MAKING A CLAIM

What happens if You need to make a claim?

We understand that it can be very stressful if You need to make a claim. Our claims team will be there to help You with advice and assistance when You need it most.

Nautilus has been appointed by Us to administer and settle claims on Our behalf within the binder authority. Nautilus' handling of Your Claim will be in accordance with the requirements set out under the General Insurance Code of Practice (see below). The Policy provides further details as to how to make a claim.

Goods and Services Tax (GST)

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant Sum Insured, Market Value or Agreed Value or maximum amount that We pay. However, if You are or would be entitled to claim any input tax credit for the repair or replacement of the insured property or for other things covered, We will reduce any claim under the Policy by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST. You are liable to Us for any GST liability We incur arising from Your incorrect advice or inaction.

GENERAL INSURANCE CODE OF PRACTICE

We are a signatory to the General Insurance Code of Practice. This aims to raise the standards of practice and service in the insurance industry, improve the way claims and complaints are handled and help people better understand how general insurance works. Information brochures on the Code are available upon request. As We act through Our agent, Nautilus, Nautilus will also be bound (where applicable) by the same found in the Code of Practice.

OTHER IMPORTANT INFORMATION

Updating this PDS

We may need to update this PDS from time to time if certain changes occur where required and permitted by law.

We will issue You with a new PDS or Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, We may issue You with notice of this information in other forms or keep an internal record of such changes (You can get a paper copy free of charge by calling Us).

Distribution of this insurance by dealers

Pursuant to the ASIC Corporations (Basic Deposit and General Insurance Product Distribution) Instrument 2015/682, certain persons, including selected boat dealers, finance companies, and occasionally other persons have been authorised by Nautilus under their AFSL as its general insurance distributors to deal in this insurance on Nautilus' behalf.

These persons are not authorised to provide any advice on this insurance and have no binding authority to enter into any Policy or settle any claim or otherwise act on behalf of AIG Australia Limited.

Any person who provides financial services to You as Nautilus's general insurance distributor will tell You that they are acting in that capacity.

Distributors' remuneration

These distributors receive a commission whenever You enter into a Policy arranged by them (including renewals and some variations which increase the premium payable). The commission excludes GST and is a percentage of underwriters base premium (i.e. premium excluding the amounts included by the underwriters in relation to applicable stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of Your premium. In addition the distributors must also provide you with details of the complaints resolution process outlined in the PDS.

How Nautilus is remunerated for the services provided

Nautilus also receives a commission whenever You enter into a Policy arranged by them or their Personal Watercraft dealer distributors (including renewals and some variations which increase the premium payable).

We may also advance Nautilus other money in the period to cover marketing and other costs and expenses which is agreed on a case by case basis.

For services in administering this insurance Nautilus may be paid a profit share amount in relation to all Personal Watercraft Insurance policies entered into in each annual period. The amount Nautilus can receive is a percentage of the net profit amount (if any) which is determined by Us and is based on the total premium excluding certain costs, expenses, fees and liabilities in relation to the policies (e.g. taxes and charges on the Policy, reinsurance costs, claims payments, commission paid and administrative costs) over a 12 month period.

If there is no net profit in the annual period, Nautilus receives no profit share. Any profit share amount is paid 3 months after the annual period ends.

Nautilus will also charge You an administration fee, which varies depending on the dealing service it provides You with. The fee is paid in addition to the premium and is shown on Your Certificate of Insurance.

Nautilus' staff receive an annual salary that may include bonuses based on performance criteria (which can include sales performance) and the achievement of company goals.

Remuneration payable to referrers

Nautilus will in some cases pay a pre agreed fee and/or a commission which is a percentage of the premium, to persons who refer You to it if You buy the insurance.

The amount paid will depend on the person who refers You and their level of involvement in the transaction.

Further information about remuneration

If You would like more details about the remuneration (including commission) or other benefits Nautilus, its distributors or referrers receive, please ask for it within a reasonable period after You receive this document and before this insurance is issued to You.

GENERAL CONDITIONS APPLICABLE TO ALL COVERAGES UNDER THE POLICY

Keep Insured Property in good condition and Repair and always protected

Irrespective of whether Your cover is Comprehensive or Legal Liability only, You must maintain Your Boat, Trailer, Equipment and Accessories in a good state of repair and condition. Any loss or Damage caused by poor maintenance is not covered under the Policy.

You must also make reasonable efforts to protect Your Boat, Trailer, Equipment and Accessories from any loss or Damage. If You make a claim and knew about something that could cause loss or Damage to Your property and You did not make reasonable efforts to avoid it before the loss or Damage occurred, then We may reduce or refuse to pay a claim. If You do suffer loss or Damage to Your Boat, Trailer, Equipment and Accessories You must also make reasonable efforts to prevent any further loss or Damage.

Keep proof of ownership and value

When You make a claim for loss or Damage, We will require proof that You owned the item/s and of its value/s or Your claim may not be paid.

The easiest way to do this is by keeping receipts, valuations and other forms of purchase confirmation such as model and serial numbers.

Current colour photos of Your Boat and Equipment and Accessories are another means proof of ownership can be substantiated.

Tell Us if You modify Your Boat or change its use or change Your normal storage or mooring location

You must tell Us if You modify Your Boat or change its normal storage or mooring location or if there is a significant change in the use of Your Boat.

If You do not provide Us with this information We may reduce or refuse to pay a claim.

When You provide such information to Us We may alter the terms and conditions of the Policy and this may involve the payment of an additional premium. Alternatively We may cancel the Policy or decide not to offer renewal.
